

ELA Annual Conference 2024

BDBF Partner [Clare Brereton](#) will be attending the ELA Annual Conference 2024 on 2 May in London.

As part of her role on the ELA Pro Bono Committee, she has been instrumental in organising the session on “Accessing justice – can and should Pro Bono be bridging the gap?” which will discuss the difficulties faced by individuals experiencing issues in the workplace in accessing appropriate legal support, what measures are in place to provide this support and what more needs to be done to ensure justice is truly accessible to all.
